Alivio covid testing

Under the leadership of the Medical Director, the COVID testing site manager is responsible for the overall operation of the testing site. COVID Testing Manager works closely with Alivio Medical Center program management to ensure that testing sites work as planned. This task monitors sites and work closely with partners to ensure positive patient experience, data quality through the registration process, proper management of laboratory samples and communication of timely results to customers. In addition, this location monitors the Contact Trace program. Alivio patients and non-patients are eligible for testing. Testing is carried out at the following Alivio clinics: (Note that classes may vary depending on communal events) Morgan Clinic: 966 W. 21st Street, Chicago parking lot testing lessons: Mon - Fri 8:30 - 5:30 p.m., Sat 8:30am - 3:00pm with reservations ***New hours*** Berwyn Clinic: 6447 Cermak Rd., Berwy Car Park Testing Lessons: Mon – Sat 10am to 6pm with reservation note: There is no Covid testing on Christmas Eve, Christmas Day, New Year's Eve and New Year's Day. Do I need an appointment for the COVID-19 test? Yes, call 773-254-1400 to book your reservation. Alivio's representative will assign you a time period for your test. Currently, the state of Illinois has high testing demand. Be patient as our representatives try to accommodate you as well as capacity allows. Where am I supposed to take my test? You can find one of our greetings and they can help you. If you're not in the vehicle, you can also go to the main entrance and you'll be guided by door silters. Continue to follow appropriate social distancing and face covering instructions while you wait for help and testing. What is the price of the COVID-19 test? There is no cost for uninsured patients or insured patients who are online with an underwritten provider. If you receive an invoice, please contact us immediately so that we can appeal or waive the payment. Over the network and they can't yet get a test on Alivio, but they can get an invoice for these services. Your insurance company can tell you if Alivio's in your network. Remember: any person in financial difficulty can call our billing department to ask for help. Do I need a doctor's referral to get a COVID-19 test? No referral required. Do I have to bring documents with me for the test? The patient must bring a photo ID (driver's license/government ID, passport, matrix) and insurance card if they have one. A certificate of subsistence is required as uninsured. When you make a reservation, our patient service representatives will instruct you on the relevant documents. What is the COVID-19 test like? When you call to book an appointment, you will be asked some questions to ensure that: testing is appropriate. Once you have arrived for the confirmed appointment, stay in your car while we carry out the evaluation and take the test. If you are negative, we ask that you continue to practice social distancing, often hand washing and other measures to prevent future infections. If you are positive, we will provide you with more information on how to manage your illness, monitor your symptoms and protect your loved ones. If you want to talk to a service provider, please call us at 773-254-1400. If you have a health problem, contact us immediately 9-1-1. How do I get my results? If the results are negative, you will receive a text message with the results. If your results are positive, the service provider will call you with results and follow-up instructions. To read the results, you need to register on the patient portal. If you requested a letter with results, it is only available on the portal. Book a remote health appointment if you have ongoing questions about your symptoms. How do I register with the patient portal and use my results? You can use a HIPPA-compatible, secure patient portal from any device (phone, computer, tablet, laptop) 24/7. You should have received an email with an invitation to register at the email address you provided when registering on the portal. The email comes from our portal provider MedFusion. Check your junk e-mail or junk e-mail folders if they are not in your direct inbox. NOTE: We can only send one invitation email within 24 hours, so it's important that we get the right email address to ensure a quick receipt of the invitation. The email contains a link to direct you to the patient portal. After clicking on the link in the Email, you will be asked questions about identity verification (date of birth, phone number, etc.) to protect your data. After you confirm your information, you then create a user name and password. Follow the prompt on the screen to create an account. Now you can access from any device by visiting www.aliviomedicalcenter.org and clicking on the Patient Portal link Once you have access to your account, you can use your results in the MESSAGES section and click on the appropriate message If you requested a results letter, go to the MESSAGES section and click on the message I received from our clinic. The letter attachment should appear at the bottom of the message in a blue text link with a paper skate icon. To talk to someone about COVID-19 in English or Spanish, call 773-254-1400. Our telephone lines are available 24/7. 24/7.
